

Join us on flight US2019 for a breathtaking journey through the talents of Upper South Campus.
Please fasten your seatbelts, lower your armrests and prepare to be amazed by the unveiling of the Upper-Souths students inner talents. Broadcasting to all students, this is about YOU and we need your help to lift this Aircraft into the Upper South skies !!

Departing on the 17th of June 2019, Tasman  will host Upper South Airlines hidden talents pursuit. Presenting to you...

HARMONY OF THE SKIES

2019's Yr 13 pilots are on a mission to reach their goal for the year; to bring Upper South together as **ONESCHOOL.**

'Harmony of the skies' will help do this by encouraging you to think outside the box, work with students of different ages and genders and create a more cohesive culture across all campuses. Everyone **MUST** participate in at least one activity or performance.

There will be an entrance fee for community members - amount yet to be confirmed.

If you have any questions don't hesitate to ask anyone from the Yr 13 Upper South Leadership Team:)

See Below for more details.

THEMES

Here are the three themes that will be running throughout the day. Activities and musical performances must come under the following themes:

Aviation

e.g Wright brothers, first attempts to fly, kites, Hindenburg, Jean Batten, concord, flying boats, a joy of travel comedy, World War I scenes, World War II scenes etc.

Be a Star

e.g Reach for the stars /reach your goals / aim for the sky / the sky's your limit

(this could include solo entries of inspirational speeches, songs or acts)

Space & Future

e.g Race to the moon / first man on the moon, Tintin, Space Station, exploration, rocket development, Mars expeditions, USA Space Force

There will be two parts to the day; See below.

1. Winging It (Activities)

Activities include:

- Photo competition
- Cake competition
- Art competition (we have added this section in for those of you who are art lovers, the themes are the same as all the activities, the art must be done and handed into

Tasman: susanna.guy@westmount.school.nz

Marlborough: brynlee.beatson@westmount.school.nz

Westcoast rio.amies@westmount.school.nz

by 5th of June).

- Upper South Airlines safety-briefing film festival

****All activities must come under the theme categories shown on page 2- Themes.****

Photographs and cakes to be made beforehand, they will be displayed and judged on the day . Safety-briefing films will be approved, produced and judged prior the day. All film submissions must be sent to brynlee.beatson@westmount.school.nz by 3rd June in order to be judged. The top three will be shown on the day.

2. Reach For The Stars (Music/Drama performances)

Each group/soloist has to demonstrate one of the themes - Aviation / Be a Star / Space & Future, through a song and/or drama performance.

Each song / act has to have a 1 minute introduction about why they chose that category and the reason and thought behind the performance.

For those of you who are thinking about bands and what songs you would like to use, all song choices and performance scripts must be emailed to the following student leaders:

Tasman: alberta.mclean@westmount.school.nz

West Coast: tara.hill@westmount.school.nz

Marlborough: tayla.clifford@westmount.school.nz

There will be a submission form coming out on Wednesday for everyone to fill out with what you will be doing on the day. All performances must be submitted by 10th of May (Friday week 2) we encourage all submissions to be in by the submission date so we can get them approved and you can start practicing and refining your performance as soon as possible. There will also be rubrics for the different activities coming out on Wednesday along with the photo competition categories.

Please note* All drama/music performances must **NOT** be over 15mins otherwise your act will be disqualified.

Get ready for take-off
as together we reach
for the stars

**Thank you for flying with Upper
South Airlines**
