There will be an entrance fee for community members to attend.
If you have any questions please don't hesitate to ask anyone from the Yr 13 Upper South Leadership Team:)

Aviation – flight mechanics(cake/image), aeroplanes(draw - on cake or take off), teamwork(mechanics of a aeroplane working together to make it fly) to create something memorable, transport, flight safety, aeroplane food, design a hostess uniform(photoshopping images together/cake idea/catwalk performance-sew/make your own outfits), aeroplane propellers, runway, luggage, birds-eye view.

Space & Future – think inventing (ways of reaching the moon/ space suits), your unique idea of what the moon and planets look like, galaxy (e.g. glaze cake/photo), planets, aliens, robots, UFO's.
