

Upper South Colour Run

The Upper South Colour Run will be held in Blenheim on the 15th of August 2019. It is a "fun run" and obstacle course.

Leading up to the event students will be asking for sponsorship for the run in order to raise money for their campus.

The five students, who raise the most money will go on the leader board (this will be updated every week so you can track your child's progress).

Our goal is to raise \$10,000. Each student should aim for minimum of \$55. Of course, we encourage students to raise more than this amount, however if this is all students can raise we understand as every little bit helps.

The fundraising goes towards a fund that is controlled by Upper South CAs and Staff to support future educational student field trips

10% of what we raise is going towards the Nelson, Marlborough Rescue Helicopter (this does include West Coast).

We encourage everyone to start collecting sponsors and aim high!
